

Laminate Worktop Collection

Mountain Oak worktop and upstand

 **Wilsonart®**

A versatile collection of high pressure laminate worktops. An extensive assortment of designs from classic to contemporary and from large scale marbles to rustic timbers. From the tried and tested postformed radius worktops to contemporary square edged, our collection offers endless opportunities.

Range overview

- Made from high pressure laminate a highly durable and hygienic surface material perfect for the kitchen environment
- A selection of 27 decors across two thicknesses 28mm and 38mm
- Matching upstands and splashbacks available to complete the kitchen design
- All worktops are manufactured to British standards and conform to EN438 through ISO 9001:2008 Business management systems
- All raw materials come from responsibly managed and sustainable sources
- Products are manufactured to the highest standards and tested against FIRA GOLD Product certification

Product specification

Postformed

17 decors available in a 6mm postformed radius, plus 1 decor in our 10mm radius. Complete with an under edge non-degradable water resistant seal providing full protection from water ingress.

- Substrate P2 E1 chipboard
- High pressure laminate surface
- Postformed edge
- PUR under-edge water resistant seal
- Moisture resistant barrier on reverse

Square edge

10 decors available in a modern square edge profile, providing a streamlined appearance and the opportunity to incorporate curves into the kitchen design.

- Substrate P2 E1 chipboard
- High pressure laminate surface
- Edging; HPL/ABS
- Moisture resistant barrier on reverse

Surface textures

The texture makes a big difference to the overall look and feel of a worktop, helping to create a realistic replication of the natural material. These 9 textures are available within the range.

Decor name	Texture	Profile	Thickness	Worktop 3000x600	Breakfast Bar 3000x900	Splashbacks 3000x1200 x9mm	Upstands 3000x95 x12mm
